# KRUD KUTTER® MOLD & MILDEW STAIN REMOVER

### DESCRIPTION AND USES

Krud Kutter® Mold & Mildew Stain is a professional strength formula that removes tough stains from mold and mildew and protects as it cleans. It is safe, fast and effective on most interior and exterior surfaces.

It works on tile, grout, tubs, fiberglass, shower doors, vinyl curtains, counters, sinks, and no wax floors. Also ideal for wood, vinyl, and aluminum siding, patio furniture, boats and more.

**Not recommended on varnished surfaces.**

### PRODUCTS

SKU	Description
MS324	32 oz. Trigger Sprayer
MS012	1-Gallon
MS323	32 oz. Trigger Sprayer
MS05	5-Gallon

### PRODUCT APPLICATION

#### DIRECTIONS

Always test on inconspicuous area first. For initial application, spray sparingly on surface to be cleaned, working from top to bottom. Spray surface until thoroughly wet, and allow to penetrate for 5 minutes before rinsing or wiping with wet cloth or sponge. To remove tough mold and mildew stains use a brush. Severe stains may need two cleanings. This product may not be able to remove mold and mildew stains imbedded in hard water deposits, old grout or silicone caulking. To prevent mold and mildew stains, a spray mist application every 1 to 2 months without scrubbing or rinsing will build up an invisible shield to protect the surface.

**CAUTION: EYE AND SKIN IRRITANT.** In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention.

**KEEP OUT OF REACH OF CHILDREN.**

## TECHNICAL DATA

### KRUD KUTTER® MOLD & MILDEW STAIN REMOVER

#### PHYSICAL PROPERTIES

		MOLD & MILDEW STAIN REMOVER
Composition		Proprietary Ingredients in a Water-based Solution
Solvents		Water
Weight	Per Gallon	8.33 lbs.
	Per Liter	1.0 kg
Color		Light yellow
Clarity		Clear
Odor		Mild
pH (Concentrate)		10-11
VOC (Weight %)		0.5%
Practical Coverage		Varies with type and porosity of surface
Shelf Life		NA
Flash Point		>200°F (93°C)
Caution!		<b>CAUTION: EYE AND SKIN IRRITANT.</b> In case of contact with eyes or skin, flush with water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, take large amounts of water. Do not induce vomiting. Get medical attention. <b>KEEP OUT OF REACH OF CHILDREN.</b>
