INSTANTÁNEO REPETITIVO. NO SOMETER A PRESIÓN
OBSERVAR OTRAS PRECAUCIONES AL DORSO.**

NET WT. 6 OZ. 170g

Gold Mirror Effect is an innovative coating that transforms glass and acrylic glass into a unique gold mirror finish. Ideal for decorative use on glass vases, candleholders, framed glass, jars and tabletops. **Apply to the reverse or opposite side of glass. Interior use only.**

Painting Conditions: Use outdoors or in a well-ventilated area such as an open garage. Use when temperature is between 50°F (10°C) and 90°F (32°C) and humidity is below 85% to ensure proper drying. Do not apply to surfaces that, when heated, exceed 200°F (93°C) or galvanized metal. Avoid spraying in very windy, dusty conditions. Cover surrounding area to protect from spray mist.

Preparation: Remove water spots and other imperfections on substrate to achieve optimal results. Clean glass thoroughly with glass cleaner or soap and water, using a lint free cloth. Allow glass to dry completely before painting. Coating will not hide imperfections on substrate.

Painting: Shake can vigorously for one minute after mixing ball begins to rattle. If mixing ball fails to rotate DO NOT STRIKE CAN. Contact Rust-Oleum. Shake often during use. Make sure to apply paint to the reverse or opposite side of glass that will be displayed. Holding can upright 10-12 inches from the surface, spray in a steady back-and-forth motion. Apply using very thin coats, allowing the paint to dry for 1 minute between coats. Apply up to 5 coats to achieve the desired mirror effect. Paint will rapidly change in appearance and mirror effect will appear while coating dries. The painted side will appear dull, with the reverse side showing the mirror finish. Apply a thin coat of Rust-Oleum Ultra Cover 2X Matte Clear. Dry 4 hours. Times based on 70%-95% relative humidity. Dries completely in 5-10 minutes. May rest anytime.

Clean-up: Wipe off paint before storing. Clean up wet paint with 7X10 or mineral spirits. Throw away empty can in trash pail only. Do not burn or place in home trash compactor.

Clogging: If valve clogs, twist and pull off spray tip and rinse it in a solvent such as mineral spirits. Do not stick a pin or other objects into the stem.

CONTAINS ACETONE. Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. Do not puncture, strike or incinerate (burn) container. Exposure to heat or prolonged exposure to sun may cause bursting. Do not expose to heat or store at temperatures above 120°F (48°C). **NOTICE:** Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. **Vapors may ignite explosively.** Keep away from heat, sparks and flame. Do not smoke. Extinguish all flames and pilot lights and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Prevent build-up of vapors by opening all windows and doors to achieve cross-ventilation. **Use only with adequate ventilation.** Do not breathe dust, vapors or spray mist. Ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness, wear respiratory protection (NIOSH approved) or leave the area. Avoid contact with eyes, skin and clothing. **FIRST AID:** If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately. In case of eye contact, flush immediately with plenty of water for at least 15 minutes and get medical attention; for skin, wash thoroughly with soap and water. **WARNING:** This product contains a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. **KEEP OUT OF REACH OF CHILDREN.** For emergency, call your physician, local poison control center or local emergency room. For product health information, call: (800) 481-4785. Conforms to ASTM D-4236

SATISFACTION GUARANTEED: If you are dissatisfied with this product, contact our Product Support Department at 1-800-481-4785 for a full refund of the purchase price. Refer to product number and batch code on bottom of can.

ADVERTENCIA. CONTIENE ACETONA. Vapores dañinos. Pueden afectar al cerebro o al sistema nervioso causando mareos, dolores de cabeza o náuseas. Causan irritaciones en los ojos, piel, nariz y garganta. No perforar, golpear o incinerar (quemar) el contenedor. Una exposición con el calor o una exposición prolongada con el Sol puede causar que reventen explosivamente. No exponga al calor o almacene en temperaturas sobre 48°C (120°F). **NOTA:** Los reportes han asociado una sobreexposición ocupacional repetida y prolongada con los solventes con daños permanentes al cerebro y al sistema nervioso. El mal uso intencional al concentrar e inhalar el contenido deliberadamente puede ser peligroso o fatal. **Los vapores pueden incendiarse explosivamente.** Mantenga lejos del calor, chispas y flamas. No fume. Extinga todas las flamas de fuego y flamas piloto y apague las estufas, calentadores, motores eléctricos y otras fuentes de ignición durante el uso y hasta que todos los vapores desaparezcan. Prevenga la acumulación de vapores abriendo todas las ventanas y puertas para lograr una ventilación cruzada. Use solamente con una ventilación adecuada. No respire el polvo, los vapores o la niebla del rociado. Asegure la entrada de aire fresco durante la aplicación y el tiempo de secado. Si sufre de lagrimeo de los ojos, dolores de cabeza, o mareos, use una protección para la respiración (aprobada por NIOSH) o sino salga de esa área. Evite contacto con los ojos, piel, y la ropa de vestir. **Primera Atención:** Si sufre dificultad al respirar, salga del área para obtener aire fresco. Si la dificultad continúa, obtenga atención médica inmediatamente. En caso de contacto con los ojos, enjuáguelos con bastante agua por lo menos 15 minutos y luego obtenga atención médica. En caso de la piel, lávela completamente con agua y jabón. **ADVERTENCIA:** Este producto contiene una sustancia química que, según tiene conocimiento el estado de California, puede causar cáncer y defectos congénitos u otros problemas reproductivos. **MANEJE LA FUERZA DEL ALANCE DE LOS NIÑOS.** En caso de una emergencia, llame a una emergencia, o al centro local para el control de los venenos o una sala local para las emergencias o urgencias. Para obtener información sobre la salud referente a este producto llame al: (800) 481-4785. Conforme con ASTM D-4236. PROHIBIDA SU VENTA A MENORES DE EDAD; PRODUCTO ORIGINARIO DE E.U.A.

SATISFACCIÓN GARANTIZADA: Si no está satisfecho(a) con este producto, póngase en contacto con nuestro Departamento de Soporte al 1-800-481-4785 para el Producto para obtener el reembolso completo del precio de compra. Reténelo al número del producto y al código de lote en el fondo de la lata.
